Mr. F. V. Beach,
Idro,
Ashbourne, Pa.

Dear Sir:-

I have your letter of January 27th in which you state that the Count of Santa Fulalia is at present abroad, and you have no authority to "renew his subscription in his absence."

Am I to understand that the Count of Santa Fulalia desires to resign his membership in this Society, or simply that it is a question that must wait until his intentions are known?

In the latter case I would request that the bill for dues for the current year be forwarded to him with the request that he notify the Society of his intention in the matter.

Very truly yours,

Treasurer.

February 25th, 1917.

Count of Santa Pulalis,
Lima, Ashmunia,
Peruvilleia.

Dear Sir:-

The letter of H. V. Jones containing request for acceptance of your resignation as a member of this Society, was referred to our Council. They expressed regret at your desire, and respectfully ask you to enter our Society immediately, which contains most of our out-of-town members. The privileges are the same as full membership except the right to vote and hold office.

Our full service is always at your disposal. The receipt of our Journal and the Sociologist are alone of greater value than the annual membership fee of five dollars.

You can not keep in touch with American conditions unless you associate with us.

Yours very respectfully,

Treasurer.
